ARTICLE IV

GRIEVANCE PROCEDURE

- Section 1. A grievance shall mean only a complaint that there has been an alleged violation, misrepresentation, or misapplication of any of the specific provisions of this Agreement.
- Section 2.
- A. Association Right to Grieve
Every member of the bargaining unit covered by this Agreement and the Association shall have the right to present grievances in accordance with these procedures and more than one (1) member of the bargaining unit with the same grievance may join in the grievance.
 - B. The failure of an employee (or, in the event of an appeal or arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator's failure to give a decision within the time limits, shall permit the grievant to proceed to the next step. The time limits however, may be extended by mutual agreement.
 - C. It is agreed that any investigation or other handling or processing of any grievance by the grieving teacher shall be conducted so as to result in no interference or interruption whatsoever of the instructional program and related work activities of the grieving teacher or of the teaching staff.
- Section 3.
- A. First Step
An attempt shall be made to resolve any grievance in informal, verbal discussion between the complainant and his/her principal.
 - B. Second Step
If the grievance cannot be resolved informally, the aggrieved party shall file the grievance in writing, and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten (10) school days from the date of occurrence of the event giving rise to the grievance. The principal shall make a decision on the grievance and communicate it in writing to the party and the Superintendent within ten (10) school days after receipt of the grievance.

C. Third Step

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved party shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and the Superintendent or his designee shall meet to resolve the grievance. The Superintendent or his designee shall file an answer within ten (10) school days of the third step grievance meeting and communicate it in writing to the teacher and the principal.

D. Fourth Step

If the grievance is not resolved satisfactorily at step three there shall be available a fourth step of impartial, advisory arbitration. The Association must submit, in writing, a request on behalf of the Association and the grieving teacher to the Superintendent within thirty (30) days from receipt of the step three answer to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within seven (7) days. The PERB will be requested to provide a panel of seven (7) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one name remains. The remaining name shall be the arbitrator. The decision of the arbitrator will be advisory only and shall not be binding on the parties.

Expenses for the arbitrator's services shall be borne equally by the School District and the Association. The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of the Agreement. His authority shall be strictly limited to deciding only the issue or issues presented to him in writing by the School District and the Association and his decision must be based solely and only upon his interpretation of the meaning or application of the express relevant language of the Agreement.

Section 4. If the Association or any employee files any claim or complaint in any form other than under the grievance procedure of this Agreement, then the School District shall not be required to process the same claim or set of facts through the grievance procedure.

EXHIBIT D

MEMORANDUM OF UNDERSTANDING

The provisions referred to in this document should be treated as additions/alterations to the master contract bargained and agreed upon for the 2007-2008 school year. This document provides the distribution of state Phase I and II funds allocated by legislative action on behalf of the teachers in Iowa during the 2007-2008 school year. This entire addendum will be null and void if the additional Phase I and II funds are not forthcoming and a salary schedule of twenty-five thousand one hundred eighty-eight dollars (\$25,188) minus Phase I and Phase II funds will be in effect (if a percentage of the funds are forthcoming a distribution of that same percentage will be the basis for the money allocated to the teachers).

The 2007-2008 beginning teacher salary (Exhibit B) is twenty-five thousand one hundred eighty-eight dollars (\$25,188) with increments of 1.25% x 1% provided Phase I funding is distributed by the state at the same rate as in 1994-95. The generator base for 2007-2008 is twenty-five thousand one hundred eighty-eight dollars (\$25,188) which is a 4x4 index schedule with 6 lanes and is the schedule the initial teacher contract salaries are based upon (Exhibit B). It will be the generator base salary schedule with the Phase II money added to it.

The salary schedule reflects the inclusion of Phase II funds distributed throughout the schedule by the current 4x4 index schedule. The salary schedule base will be adjusted if Phase II funds are not received on a prorated basis.

The following provisions will also apply to Phase I and II monies:

1. Activity or extra duty salaries will be figured from the index schedule with twenty-five thousand one hundred eighty-eight dollars (\$25,188) generator base.
2. Paid leaves or worker compensation benefits will be based on the same of twenty-five thousand one hundred eighty-eight dollars (\$25,188) generator base salary index schedule.
